

SAP BASIS SENIOR ADMINISTRATOR

Salary range: 4500 - 6000 EUR gross

Your functions:

- You will be part of a team administrating a diverse SAP landscape for a growing number of customers.
- The focus of your daily work would be:
 - Daily operations in SAP landscapes on all operating systems (Linux, Windows Server) and databases (HANA, Oracle, DB2, Sybase)
 - Various projects including new installations and release changes
 - Accompanying new developments such as S/4 HANA and multi/hybrid cloud operation
 - Troubleshooting · Assistance in on-call support (currently about one week every quarter)

What we are looking for:

- As a Senior Basis Administrator, you should demonstrate 3+ years of experience in SAP Basis administration
- Knowledge of standard operating systems (Linux, Windows) and one or more databases (i.e. Oracle, DB2 or Sybase)
- Ideally you should already have some initial experience in SAP HANA
- Good knowledge of ITIL v3
- Good English language skills and an agile mindset will round off your profile

We offer:

- Inspiring working environment, high volume of interesting projects and possibility to work together with experienced senior team
- Flexible working hours, remote work possibilities and 22 days of paid vacation
- Start-up environment, where your voice matters, and your ideas are encouraged
- Highly competitive salary and bonus package, full health insurance
- Covered sports activities
- Cool team building events and possibility to travel to Germany for trainings
